## STEP-ON WASTE CONTAINERS

Ideal for environments where hand's free waste collection is mandated or the preferred method. Sturdy construction stands up to heavy use while maintaining appearance. The hands-free design minimizes contact with food or paper waste and the easy-access foot pedal holds up to extensive use. Constructed of non-metallic polypropylene, containers are chemical-resistant and corrosion-proof. Color-coded lids are useful for HACCP programs and other applications where color-coded designation is needed for recycling, biohazard, or other segregated work zones. Step-On's assist in complying with OSHA regulation 29CFR 1910.1030 "Occupational and Bloodborne Pathogens."

**Colors:** Beige containers with color-coded lids: Beige(06), Red(05), White(02); 346145, 346146 also available in Blue(14), Green(09)
